

Thank you for your trying out for DEWLAX Elite Tournament Teams. Our program is about the development of young athletes in a positive, technical and tactical way. We believe in the athlete and creating an environment for the athlete to be successful.

Our club is focused on growth of the player. For our summer season we conduct two tryouts, in the fall, where we identify the core players for our teams then a supplemental tryout in early April to complete our rosters.

We were really pleased with the talent that came out for our tryout. The girls played hard and all of our coaches were very impressed with both their talent and intensity. New Jersey Lacrosse is growing and we are proud that so many athletes are choosing higher level lacrosse.

Teams

We plan to field the following teams for this summer. Rosters will finalized after our last boot camp. Coaches reserve the right to place players on any DEWLAX team.

- HS Team
- 2017 Team
- 2017/2018 Team
- 2018 Team
- 2019/20 Team
- 2020/21 Team

Practice Players

Practice players are athletes who are designated high potential and we would like to see them competing with our teams. We invite those players to come and practice with our teams, get better and *possibly* earn a position on a team. This is terrific opportunity to gain professional coaching, develop as a player, develop and showcase your skills and possibly play summer ball.

Tryout Notification and Athlete Evaluation

We are notifying players based on grade level. Teams are determined based on subsequent practices. We are solely interested in the athlete and having clear and transparent communication on their *level of skill, athleticism and coachability*. Those three factors determine the rosters of our teams.

What if my number is not listed?

We urge you to work on your craft. Practice stick skills, wall ball, take clinics, either with us or elsewhere. If this is what you want, do not let a small speed bump slow your determination. Michael Jordon was cut from his HS Basketball Team. Rebound and work at your craft, then come to our supplemental tryout. We are happy to discuss.
